Kissimmee, Florida

Wednesday, April 19, 2006  
9:30 a.m. - 12:00 p.m.

*There Will Be Opportunities for Public Comment after Each Presentation*

#### 9:30 1 Welcome

Chris Sweazy, Orlando Service Center

Welcomed everyone to the WRAC workshop and introduced Rick Smith, WRAC Facilitator. He announced that the Kissimmee Basin Draft Water Supply Plan will not be discussed at this meeting due to last minute changes, but that there would be a workshop on the plan in the very near future.

Rick Smith welcomed everyone and reviewed the agenda.

*Section 120.525, Florida Statutes, allows the District to change the published agenda for good cause shown. Based upon that authority, the Chair of the Water Resources Advisory Commission of the South Florida Water Management District determines that good cause exists to make the following changes.*

Kissimmee Water Supply Plan Update deleted from this meeting and will be rescheduled.

#### 9:40 2 Alternative Water Supply Program, Jane Bucca, Conservation and Grants Manager

Chris Sweazy showed the FY07 Water Supply Plan Projects and their allocations. He will forward an email with the attachment from the attendance list. If your project is not listed, please contact Chris Sweazy so that it can be added to the list.

Chris Sweazy introduced Jane Bucca.

##### **Questions and Answers**

There was a brief session of questions and answers.

There will be other Public Information Workshops other than this meeting. One of the attendants noted that Agricultural people don't know about this project. It was stated that postcards went out to all. If there is a meeting than you need us to do please let us know. When submitting an application, proof of readiness is needed and projects must be permitted. Projects will be rejected if they don't have a permit. We don't want to turn

anyone away. This grant is only for construction.

The 2007 AWS Funding will be presented to the Governing Board in September. The September WRAC will be held September 7 in Naples
